

BELLOWS

C BASS button is usually marked with a concave button, or a gem stone. The E bass button and the Ab bass buttons are also (usually) marked. C button is about in the center of the button row.

Play the C BASS button, marked with a blue circle and a pink mark, with your 3rd finger

Play the C Chord button, marked with a pink mark, with your 2nd finger (thumb is #1)

Bass Notes

C bass button (note symbol) is the circle with the up stem. C chord button (note symbol) is the circle with the down stem (and the ledger line through it).

Stand in front of a mirror and practice playing Bass, Chord, Bass, Chord (repeat many times)

Fingers are slightly curved so only ONE button is played.
